After dinner and before the game

On February 20th, 2010, Park Ridge Financial Advisors organized the 4th Annual Chicago Wolves Hockey Dinner for Elks Lodge # 1526 of Des Plaines. Please see the photo of the 75 members in attendance as well as some of the children. This is an annual fund raiser and a percentage of the proceeds go to The Elks Foundation which is a non profit organization which provides collegiate scholarships for local students as well as for a drug awareness program for the youth in the Des Plaines and Park Ridge areas.

In addition to the fund raising and the drug awareness programs, a splendid time is guaranteed each year for all who attend. The full course dinner prepared and subsidized at The Lodge was followed by the 7-1 Chicago Wolves victory at the Allstate Arena. The Wolves won their 8th straight game to remain in first place; Coach John Anderson's name was immortalized in a special pre-game ceremony by having his banner lifted into the All State Arena's rafters and prizes, caps, and drug awareness goody bags were all distributed.

To learn more about the Elks Foundation's charitable events such as this, their scholarship and drug awareness programs or to inquire about membership into this dynamic Lodge, please call Rick Pucci at 847-759-0055.
