

THANK YOU

Who would have known that a simple conversation between friends would make Garrett's dreams come true! A huge Thank You to Jill & Paul Domino for their great efforts in getting the application to us and then turned in to the Elk's Club. A huge Thank You to the Elk's Club for making the request a reality! Garrett is one of the happiest, strongest and determined kids we know, and nothing stops him. He loves riding his new bike and playing football, basketball and baseball. You've simply made it easier for him.

Thanks so much for what you do to brighten the lives of children.

Tim, Tina and Garrett Buske
