

Okay – Okay

“You Could Be Here”

What does that mean?

It means that if you send me a **picture or story** concerning **Elkdom**, I will post it here and you will see it on the Internet. Joy, joy, you will have your own button!

Make sense?

I am trying to entice you to send me your **Lodge, District, or State** accomplishments so I can promote it on our **IEA Website**. We have lots of room!

Thanks to **Mr. S-P** for pointing this out.
