

From the desk of Kirk Wallace – IEA President

Greetings: Here's a reminder that the November 1st membership reports are due to Grand Lodge via CLMS soon. November 1st would be nice, but as soon as your last October meeting is concluded would be even better! Also, please note that the report should NOT be filed before your last meeting in October!

Points for IEA Exalted Ruler, Secretary, Lodge, and District of the year are given based on the date you send it. Prior to Nov 1st gets the most points available!

Another reminder, your news articles for the Newsette need to be submitted by November 21, and your Lodges' Lady of the year nominee needs to be to your District VP by December 1st!

The list of items requested for the January S.O.S. project is posted on the IEA web site for your convenience. The direct link is below or you may access it under "Our Programs" then "Veterans."

Please continue to help Broadcast Elkdom!

Fraternally,

**Kirk Wallace,
IEA President**
